The Board of Education is the governing body of the Sharon School District. The Superintendent of Schools, Mr. C. M. Musser, acts as the Board's educational adviser. Meeting monthly, this group of men plans the educational program of our schools, sets up the budget of school expenditures, arranges for the collection of tax money to finance the budget, takes care of all school employment, and plans for the future betterment of our school system. Credit for the present high educational level of our schools is due to these public-spirited men and to their predecessors.

The principal reason for going to school is the same this year as it has always been in the past—to get an education. The young people who come out of school with a real education—not just with a smattering of one subject or another—will have acquired not only the best preparation for success in life but also the chief essentials to good citizenship.

Good citizenship, including love of country and of one's fellowmen no matter what race or color, is the most important thing learned by a boy or girl in school. In the well-conducted school learning what good citizenship means is a natural by-product of a child's total school experience.

The common school is maintained by all the people for the advancement of all the people. It is as symbolic of America as the flag. To maintain and improve our schools is one of your first duties as a citizen, just as one of the primary obligations of the school is to teach your children good citizenship.

C. M. MUSSER

In no other country but America can one be born on the wrong side of the tracks and still become president of the United States. If industry, the will to rise above the host of mediocrity, hard work, and the little talent which all of us have are put to work, there is no limit to the heights of achievements.

When things become difficult and it seems that we are being overcome by adversities, it is natural not to want to acknowledge that defeat comes from within. How many people blame the world or someone in it for their shortcomings! Just remember that many of our great Americans succeeded under what we would consider insurmountable difficulties.

With the right attitude and plenty of determination most people can fulfill their legitimate aims and ambitions. Our great country has made it possible for all who are willing to reach the pinnacle of success. America has done its part—all that remains is for you to do yours.

S. N. CURRIER

Human beings universally and naturally desire new experiences and a fund of knowledge. We live by commonplace things that are all too frequently unappreciated. But is it not true that our living is guided by what we know and what we believe?

As our knowledge changes, so do our feelings and actions. As our beliefs change, so do our ways of doing things, our choices of what shall be done, the associations we make, and the outcomes for which we work.

To ensure these basic elements of knowledge and beliefs the educational system of our community is operated

Our Memories

Upon this eve so warm and clear,
I lie and dream of yesteryear.
I reminisce of days gone by,
Of days spent here in Sharon High.

My first dream takes me to the morn
When we were looked upon with scorn,
And haughty Seniors said, "By gosh
We'll make it tough for those poor Frosh."

But really, though, they meant no harm
Just wished to give us some alarm
And when that year was passed (by some)
We wondered what was next to come.

Our title now is "Sophomore"
Promoted to the second floor,
We stumbled through our propositions,
Caesar's wars, and the Phoenicians.

Teachers kept the peace and order,
Kept boys from running down the corridor.
A lovely time was had by all
Who hadn't learned of study hall.

Juniors we are and more mature—
Breathes there a lad with a soul so pure
Who knows not of that room so small
Where wrongs are righted each and all.

A new amusement o'ertakes the bunch
For days in school sure pack no punch.
The fun is in not attending
Whether it lasts is—all depending.

The Senior year is reached at last.
All but one year now has past.
'Twas altogether quite a march
Since that first day we crossed the arch.

The year was packed with work and fun
And all were sad when it was done
Various activities filled the bill
The tests gave cause for added thrill???

But hold! The future looms ahead
Will some of us live on instead
Of dying, and conceding then
Eternity in minds of men?

Assemblies and Rallies

Our first rally of the year was on September 14 . . . a pep meeting for our first football game. Coach Dave Stewart introduced the boys on the team and told us some good stories. Johnny Busch and Bill Ruffo requested a rally for the Toledo game on October 4. The speakers . . . why, Johnny Busch and Bill Ruffo, of course. Rain! Rain it put a damper on the bonfire rally on November 7, but the all-girl football game was a huge success. There was magic in the air November 13 when Niven Hofert performed at a double assembly; and music in the air on November 27 when the Optimists sang for us.

On December 5 we finally got a look at our basketball team (hmmm . . . not bad!) with the help of their coaches, they demonstrated the rules

of the game. The rally for the Farrell game was held on January 31 at which we were entertained by the Junior Tri-Hi-Y girls. It surely was an ideal school scene, and Ruth Malcolmson made an ideal teacher.

"No! No! A thousand times, No!" reminds us of the rally presented by the Senior Tri-Hi-Y girls on February 25. What beautiful voices they have! On March 3 there was a rally for the play-off between Sharon and Aliquippa. This was also the last basketball rally for the Seniors.

On March 6 Dr. Colman, an Englishman, told of his experiences during the blitz on London. And then on March 12 we will remember the cowboy and his exhibition of skill.

The Dramatics Club gives an opportunity to all those interested in dramatics to participate in plays and various other activities associated with acting. These activities include make up, publicity work, stage effects, and costume designing. Plays are selected, directed, and produced by this group for their own edification and for the pleasure of outside organizations. Club members are selected by Miss McMullen from the voluntary applications of students according to their interests, their talents, and their abilities.

The Radio Guild is one of the newer organizations in our school. Membership in this group is based upon a sincere desire to become better acquainted with the problems and opportunities that radio work offers. An effort is made to give all members a chance to participate in some phase of radio broadcasting such as script writing, producing, announcing, and actual broadcasting over the local radio station. The Guild plans and presents many special occasion broadcasts throughout the school year, and has done much to publicize our school favorably.

Senior Play

"320 College Avenue," a three-act comedy whodunit, was chosen as this year's Senior Play presentation. The play, which was given on March 18, provided thrills with its two murders, and laughter with its humorous dialogue

Twenty four seniors were in the cast. With the locale of the play being a college girls' sorority house the parts of the coeds and their guests were well taken by Ann Mitti Buitrage, who played "Judy," the most popular girl in college, James Robinson, one of the two victims, Mardyn Rice, a poet, Robert Meyers, another poet, Patricia Neal and David Abernathy, college freshmen, Phyllis Henderson and William Coates, medical students; Helen Lysohir and Fred De Noble, law students, Joan Butala, a pretty but dumb freshman, Donald Homer, a blasé sophomore, Henry Gates, the other victim, William Sample, a back-slapping, horse-lugging college "mixer", Elizabeth Carnes, a flirt, Charles Perry, a football giant who is dumb and awkward, Margaret Diller, Wallace Francis, and Doris Mu Zrinscak.

Nancy McKean portrays the college Dean of Women. John Mider takes the part of Professor Slopes, the Dean of Men. The brusque Chief of Police is played by Joe Polovich, and his assistant is played by Bert Walker. The part of the Medical Examiner is taken by Henry McCurdy. Patricia Hebrink served as bookholder for the production.

The play, which was written by Fred Ballard and Mignon G. Eberhart, was under the direction of Miss Elizabeth McMullen, the Senior Class adviser.

Art Staff

Editor	Gloria Smolen	
Members	Josephine Smeraglia, Jack Green, Conrad Ross	
Adviser	Miss Elizabeth Sykes	

The Art Staff is responsible for providing all the art work for the Mirror Magazine and the yearbook. Because of the exacting nature of the work required, membership in this group is awarded as a result of productive competition. All collections for student and outside subscriptions are routed through the Business Office, and all bills for publishing our several publications are ordered paid here. In addition this group takes orders for pictures to be printed by the Photography Staff and makes collections for them. Another assignment this group handles is the mailing of our publications to our outside subscribers. There is a big job and they do it well.

Mirror Magazine Staff

Editor	Robert Mevers
Associate Editors	Beverly Lewis, Peter Nielsen
Adviser	Mrs. Maude B. Roberts

The Mirror Magazine is the student publication devoted to bringing to public attention the best literary efforts of the students in the several English classes in Sharon High School. Always an outstanding high school magazine, the Mirror has yearly won high awards in the school magazine contest sponsored by the Columbia Scholastic Press Association. Membership on this staff is open to all four classes, and members thereby have an opportunity to learn much concerning what is good in works of literature, and also to become familiar with the kinds of labor that go into publishing a magazine.

Mirrorette

Associate Editors	Wally Francis, Andy Jacobs, Laura Mermelstein
Sports Editor	Dick Magnet
Adviser	Miss Anna Grace Smith

Our high school newspaper, the Mirrorette, has been serving our school faithfully for thirteen years. Issued twelve times throughout the school year, it reports the activities of our school life. A new feature this year is an article in each issue concerning an alumnus of Sharon High who has "made good" in life. The Mirrorette has an enviable record, having won high honors in the National Scholastic Press Association contest consistently since its inception. The success of our newspaper can be attributed to the excellent ideas and suggestions of the staff and of the faculty adviser, Miss Smith.

Nearly all pictures appearing in our several publications throughout the year are the products of this small but very busy trio of boys.

Only those students who rate high in good citizenship and scholastic ability are selected for membership in this group.

Pictured below are the captains and co-captains of the several squads who are on duty before school and throughout the school day. The Monitors' Code is reproduced on page 114.

Gym and Health Room Monitors

The Monitors who serve in the health room and in the gymnasium are selected and governed by the same principles as apply to the other Monitor group. The gymnasium Monitors are under the supervision of Miss Dorothy Weller and Mr. Paul Hoskins, while Miss Vernece Saeger advises the health room group.

Secretaries

The opportunity to put their training to a practical use is extended each year to several Sharon High girls of the upper two classes who are majoring in the Commercial Course. The duties of these girls vary as to the particular office to which they are assigned, but all are given the chance to acclimate themselves to actual working conditions while still in training. In Mr. Wildman's office you will find Shirley Grace, Wilda Hensley and Charlotte McClusky, in Mr. Grimes' office, Betty Cummerex, Arlene Sholtis, Mary Siwiecki and Alice Zipay, in Mr. Stover's office, Mildred Kapusta, Lawanda Kather and Nona Lou Peregó, and in Mr. Paxton's office you will find Ruth Chadderton. Setting the stage and controlling the "behind the scenes" activities of our plays, our musical programs, and our assemblies are the responsibilities of our Stage Crew.

The nature of this work requires that its members be versatile in abilities, conscientious and willing workers, and almost self-effacing because nearly all their duties must be performed before the curtain goes up or after it comes down.

Theirs is an important job, and they do it well.

Social Committee

The Social Committee, a comparatively new organization, plans and conducts a major portion of Sharon High's social functions throughout the school year. Events such as the "Get acquainted Party" for the freshmen, the "Witches Wheel" and the "Star-dust Ball," for all the students, and other parties familiar to everyone are the products of this Committee's ingenuity. Students are elected to membership by vote of those already on the Committee, and may be a member of any of the four classes. This group works hard, but its work is appreciated by the great numbers of students who enjoy the parties that are held as a result of its efforts. Faculty assistants to Miss Stephenson are Miss Ruth Elder, Miss Florence Stewart, and Mr. Corrine Brockway.

Upon the request of teachers suitable films are ordered by this group who then set up the projectors and operate them for the different classes. Members of the Visual Education Staff receive much valuable training in the care and operation of all types of picture projectors, and also worth while experience in the proper technique of motion picture projection.

SHARON FOOTBALL--1946

The Sharon High football team, with head coach Dave Stewart and assistant coach Les Patton handling the reigns, opened the season with a green squad of underclassmen and a tough schedule ahead.

The night of September 6 on their home field the Tigers with three Seniors in the line up were defeated by a veteran Har-Brook team in the season's opener. Score 7-6.

On September 14, in their second tilt of the season Sharon edged out the Stowe Stallions by a score of 9-6. Highlights of this game were Wally Jones throwing a touchdown pass to Bedich and kicking a seventeen yard field goal.

Sharon dropped its third contest of the season in an away game with Scott High. Johnny Busch's sixty-eight yard return of the kick off featured the Tigers' attack. Final score 15-12.

A rough Ne-Ca-Hi Red Hurricane was eased to a mild breeze by a fighting Tiger squad which pulled a major upset in the W-P-T-A-L schedule. On their home field Johnny Busch and his teammates were just too strong for their New Castle opponents, and when the smoke of the battle had cleared, the score stood, Sharon 24 and Ne-Ca-Hi 6.

On the night of October 5 the sparkling running of Johnny Busch and his backfield mate, Bill Ruffo, plus the outstanding defensive work of the Tiger Line gave Sharon a 20-7 margin over the visiting Toledo DeVilbiss eleven.

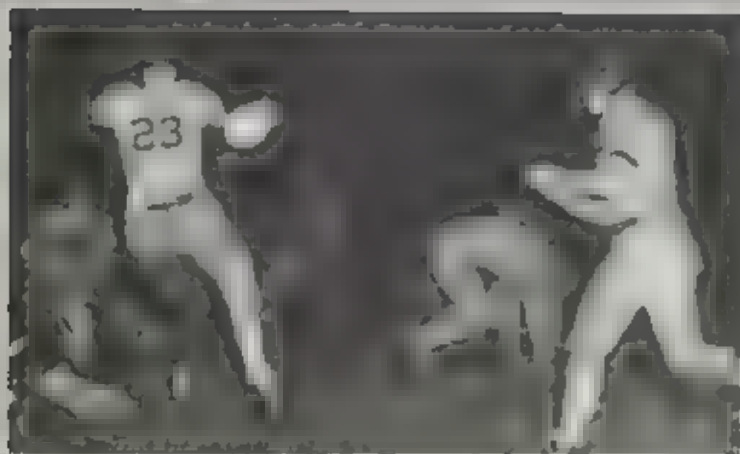

Sharon met a tartar in Erie Tech on the night of October 11. After getting off to a 12-0 lead in the first quarter, the Tigers dropped a 14-12 decision to the Techmen. The line play of Dick Bestwick was the feature of this game.

October 18 Sharon journeyed to New Kensington and it would have been just as well if they had stayed at home. The Tigers proved to be no match for the undefeated Kensters, and the final score was New Kensington 25-Sharon 2.

Ambridge handed the Tigers their third straight defeat of the season, pouring it on to the tune of 32-0.

In the final game of the season, played on their home field on November 8, the Tigers were defeated by their traditional rivals, the Farrell eleven, in a ruggedly played contest. The only score of the game came in the last quarter on a spot pass into the flat. Final score, Farrell 6-Sharon 0.

The Tigers finished the season with a record of three victories and six defeats, but it was all lots of fun and thrills.

BASKETBALL 1946-1947

Sharon High School's Tigers, with four seniors—Bane Weber, Don Bartosh, Mike Zvarich, and Dean Reed competing for first-string jobs, were all set to defend their Section III crown that was won the hard way the year before. The season started off not too impressively when Coach Pete Collodi's charges downed a weak Kittanning five. Bane Weber led the Tiger attack, pouring 15 points through the nets. Score, 39-18.

The Tigers defeated Woodrow Wilson in a wild and woolly contest on the Tiger court. Wilson proved that they were football champions and nothing more. Sharon was paced by Big Bane Weber and Mike Listiak. Score, 37-17. In like manner the Greensburg Lions were crushed by a pair of fighting Tigers who poured 22 field goals and 13 fouls through the meshes. Sharon, displaying its best form of the year—with Bane Weber and Steve Garay scoring 15 and 14 points respectively, clinched an easy 57-20 decision.

The Tigers had to go all-out to down a stubborn New Brighton team. The score, 45-39. Bane Weber, with 19 points, kept the Tigers in the victory column. The game was nip and tuck all the way, with Sharon winning out in the last three minutes. In their next game—their first away from home—Sharon dropped the decision to the Bradford Owls. It was the first Tiger defeat of the year, and the score, 35-28.

Sharon got back in the victory column against the Donora Dragons, breaking out a 41-38 decision. Steve Garay and Mike Listiak collaborated to give the Tigers their victory. A return game with New Brighton proved disastrous for the Tigers, and Sharon dropped its second game of the season. Score, 43-39.

Sharon's first league triumph was posted when the Tigers measured Ellwood City. Score 36-20. Then a second straight league victory was scored when Sharon downed a favorite Ambridge team by a score of 37-36. After that Sharon, on their home floor, downed a fighting Beaver Falls team and the score was 50-31.

Weber inspiringly led Sharon into the league lead with a sterling 44-39 victory over Aliquippa. It was Bane's board play that led the Tigers to their fourth straight league triumph. Coming up next against New Castle, the Tigers outpointed the Red Hurricane by a score of 39-24. Once again, Bane Weber and Mike Zvarich were big scorers in the "Cat" victory.

Two straight non-league games were next. Steve Garay's 15 points helped to outscore Ford City by 42-33. Campbell Memorial was spanked to the tune of 38-30.

Then on the fateful night of January 31, Sharon suffered a two-fold defeat which hurt them consid-

erably. Farrell's Steelers burst the Tigers' victory skein, eking out a 37-35 victory in two overtime periods. The second part of the defeat came when it was announced that Bane Weber would be out of action for most of the season with a broken bone in his foot.

With team followers crossing their fingers, the Tigers, with Wally Jones at center position, showed that they were still to be reckoned with by trouncing Ellwood City 41-21. The two Mikes, Listiak and Zvarich, were outstanding in the victory.

Then Sharon with a fighting spirit poured 18 points through the hoop in the last quarter to measure Ambridge 36-31. Steve Garay's spectacular shooting paced the Tiger attack. But when the Tigers met Beaver Falls, they were unable to control the boards and went down to defeat. Score, 32-31. It was Jake McCandless' last-second goal that proved the Tigers' downfall.

Can a team that is down with two strikes on it get up off the floor and fight its way back into first place? The fighting Tigers proved that it could and showed that they were still a scrapping ball club by taking the measure of the Aliquippa Indians. It was Mike Listiak's stellar play that clinched the victory. Score 40-38. In its next game Sharon experienced some difficulty and was almost defeated by New Castle, but came through finally. Score, 33-31.

Tuning up for the big game with Farrell, the Tigers led all the way to take a non-league decision over Youngstown East. Score, 53-47. Bane Weber, returning to the Tiger line-up, helped to defeat Farrell on the Sharon court. And Mike Zvarich's sterling board play paced the Tigers as they gained a share of the Section III title. Score, 44-33.

But the bubble finally broke and Sharon's dreams went up in smoke. Aliquippa handed Sharon its most decisive defeat in many a year in the play-off game at the Farrell gymnasium. The final score was 39-22. Wally Jones' seven points and Don Bartosh's sterling floor game were the only bright lights in the Sharon attack.

We who sat in the stands this season and cheered the Tigers on offer appreciation to the coaches, the fine team they turned out, and above all to that "never-say-die" spirit which was the trade-mark of our ball club. And to those unsung heroes—the substitutes—we want you to know that all your labors were not in vain and that your efforts helped to make our team what it was.

We lost. Surely; somebody had to. But to us, team, you are still THE CHAMPS

BASEBALL—1946

Sharon High School, sponsoring a baseball team for the first time, enjoyed a successful season. Playing in a section that included Ellwood City, New Brighton, Farrell and Beaver Falls, the Tigers were the winners in six out of eight games played. Ellwood City, the Section winner, was the only team to defeat Sharon. Wally Jones and Johnny Busch were the boys who hurled the Tigers to their victories. The 300 hitters were Bill Sankey, Steve Garay, Andy Butchko, Bud Anderson and Mike Listak. Carl Bailey, Jack Riscio and Bob McCollam were the team's managers. The team was coached by "Dudey" Moore.

Golf—1946

The Golf team, not playing in W. P. I. A. L. competition but still traveling in first company, completed one of its most successful seasons. The Tigers pulled a major upset when they defeated Youngstown East, the first defeat East had suffered in over two years. Home games were played on the Sharon Country Club course. The team could not compete in league games because no other schools in Pennsylvania having golf teams were close enough to Sharon to make an exchange of matches convenient. George Vargo was the captain of the team. Paul Hoskins was the coach.

Leaders Club

President	Dorothy Vernon
Vice President	Joyce Robbins
Secretary-Treasurer	Betty Lou Henry
Adviser	Miss Dorothy Weller

The Leaders Club was organized five years ago, and is a group of girls who are capable of helping Miss Weller to instruct the girls' gym classes. At the beginning of each school year a call is made for all girls who are interested in becoming gym leaders. These girls give drills, calisthenics, and direct the playing of games. During the year these leaders help to organize and direct athletic tournaments, some of which are Indian base, volley ball, soccer ball, relay races, and basketball. **This training in leadership aids each girl in her everyday activities.**

In order to receive credit for one year of leadership, a girl must attend at least thirty periods a year for instruction. All girls serving four years as leaders receive sweaters as awards. Those not meeting the four year requirement but giving of their services faithfully for a lesser time get letters. In any event all Leaders Club members profit immeasurably from their experiences in this fine organization.

Cheerleaders

Captain Dolores Donak
 Members . Peggy Cusick, Peggy Mayberry, Joanne McNally, Paul Chaderton, Bob Holden, Bill Kilbert, Bill Thompson
 Adviser, Miss Dorothy Weller

The Cheerleaders are definitely a great asset to our school. They practice long hours in order to become proficient and get little or no credit for it. The spirit they inspire in our student body and in our teams is well rewarded by many Tiger victories. To these girls and boys and to their adviser belong credit for a job well done.

Managers

Truly the unsung heroes of our athletic teams are the Managers. Chosen for their loyalty and ability to assume responsibility, these boys work hard and spend long hours looking after the detailed jobs that are a most important part of any good athletic program. They find their awards not in newspaper write-ups and public acclaim but in receiving a letter and sweater for their efforts and in the satisfaction of knowing they have done a job well. In the above group Henry Gites is the football team manager, John Zachar is the varsity basketball manager and Ted Dancu is his assistant. George Killis is the junior varsity basketball manager, and Eldon Musser is his assistant.

SEPTEMBER

School began on the 6th, and it was the first day of the last year for us Seniors (Happy Day!) As usual, the Publications campaign started off with a bang. Remember those clever announcements over the P. A., dreamed up by Joe Ellovich and Wally Francis? If you saw drops of blood in the hall, it was only the result of Herb Hetu showing us his strength by sticking his fist through the window in Room 309. The 24th was a big day, our first half holiday of the year because of teachers' institute. Say "Yes,"—you guessed it—Senior pictures for the yearbook, these were the days two figures became very familiar: Betty Wimer and Eleanor Stupka scheduling those super deluxe portraits. "Vote for me!" At last after four years, we held our first Senior meeting and elected Wally Francis our class president for the year. But the biggest day of September was the day we finally received our class rings. That is when we first really began to feel like Seniors.

OCTOBER

Hmmm, what's this?—only Pat Lyons in a "sleepy" daze. Our team showed us how they could play football by defeating New Castle in a spectacular game. Fireman Davis brought Mrs. Brockway three shiny red apples (she must have a bushel by now!) Through the efforts of her defense attorney, Bob Brenner, Ann Mari Buttrago was acquitted of the murder of Mrs. Hickey. Ann Mari, we never thought that of you! About this time we saw everybody with green string tied around their fingers! The Ingathering for the Children's Home, sponsored by the Senior Tri Hi Y, was a great success. And did you get to dance with the ghost at the Hallowe'en Party?

NOVEMBER

What a game!!! You guessed it . . . the girls' football game . . . Coaches "Bo" Wildman and Helen Lysohr were proud of the Kilroys and the Dogpatchers, and it added so much fun and excitement to our rally for the Farrell football game . . . (Maddie Lucas made the winning touchdown.) And even although Farrell defeated us, we still have a great team. The 9th was the date of our annual Homecoming dance . . . it was a great success, with Carl Bobbey's orchestra. We had two double assemblies, "The Magician" and the "Optimist Quartet." At last we held another Senior meeting . . . to plan for a Senior Party this time. "I'm broke," was the usual comment after we had purchased our season basketball tickets. Wasn't it a warm day when we had to stand outside on the front steps to have our Monitors' pictures taken!!! "Merry Christmas!" . . . these were familiar words spoken as we prepared to leave school for our Thanksgiving vacation . . . that is, after we were informed that we were not to return to school until after the coal strike had ended—maybe in January!

Back to school on our regular schedule since we received enough emergency coal to keep our building warm. Our basketball season started off in good stride on the 6th when our team defeated Kittanning. Something new has been added. Bill Coates suddenly appeared with dimples. 19th, Christmas parties were in the air—ice cream in almost every class, makes us wish Christmas came more often. 20th, our annual Christmas assembly and the last day of school—in 1946.

JANUARY

The Senior Party turned out to be a wonderful event on the 2nd . . . everyone seemed to enjoy his name card—oh, what they said!! On the 6th we all come trudging back from our Christmas vacation. "I'm really going to get down to work this semester," . . . that's what we all SAID. Rosemary Ruhley, Florence Lyman and Alma Sullivan came to school all in a dither — each got a ticketet from Eddie Howard. Didn't our Majorettes' performance look sharp on the 17th — their lighted batons brought applause from everyone. Our Senior year is certainly flying. January passed so fast we couldn't believe that it was nearly February already.

MONITORS' CODE OF BEHAVIOR

I will remember that my behavior reflects the attitude of Sharon High School and that the school is judged by the impression I create.

I will take charge of the halls in the vicinity of my post as monitor and will be responsible for the behavior of the pupils in this area.

I will visit the lavatory nearest my post immediately after I go on duty and at any other time when it is necessary and will report any condition that is not as it should be.

I will talk to no one when on duty except in case of necessity.

I will not allow an outsider to go around the halls except when I am sure they have received this privilege from the office or are accompanied by some member of the school.

I will rise when speaking with any adult or any woman.

I will remain at my post until the monitor who follows me reports for duty.

I will stand during change of classes.

I will see that pupils use the proper stairs.

If at any time I feel I cannot fulfill my obligation to the school, I will resign my position rather than violate a trust.

I will report to the office any condition which I am not capable of handling.

If on duty on the first floor, I will allow no one to leave the building without proper authority.

I will enforce and abide by the Permit Rules.

I will try to be worthy of the trust placed in me and I will not forget that I am responsible to the school to do my best.

FEBRUARY

Senior play practice is going along fine . . . (Deneen's surely are aware of us—ice cream cones at every practice.) 14th. We presented Aliquippa with a very appropriate valentine. DEFEAT. Our rally was planned almost to perfection. Joyce Robbins, who played the part of Zvarich in the rally, made Sharon's last two points, and, wouldn't you know it, Zvarich did make the last two winning points against the "Quips." 19-20th. Our Minstrel was a big success. . . . now why didn't they really throw water on Paul Kachulis? 25th. The Senior Tro-Hi-Y put on a skit for our Farrel rally. Tremore Stupka, Betty Wimer, and Shirley Muck did a good job in singing some original songs. 26th. Happy Day! We got a day off for defeating Farrell. 28th. The last day of February (no kidding).

Frances Mentrek finally came back to school. We'll always remember her for her peculiar taste in choosing pets—a "Duck!" Getting measured for our caps and gowns took long, didn't it? . . . one room was finished in three minutes. On the 5th we finally had another assembly. Dr. Coleman, our speaker, proved to be an outstanding feature. 6th . . . the day of both pleasure and complaint . . . we chose our class colors: Red and Gray. Chuck Fisher had two very "dignified" visitors during his fourth period class??? Anita Pettola and Ruthie Richards can still be seen going to band practice during the 8th period . . . What will Mr. Rees do without them next year? And the fun we had redecorating the scenery for our Senior Play, how can we forget!! 24th and 25th—the great event of the year: THE SENIOR PLAY, "320 College Avenue." Surprised, weren't you!!! 28th—Yippee! . . . we're out for Easter Vacation.

... So Naturally They Bought Their Furniture at Willson's

For one thing, young Mrs. Sharon was raised on Willson's. Her crib, high chair, little rocker, etc., came from Willson's. Her mother's rugs, curtains and draperies. That easy chair they all gave Dad at Christmas, and the adorable dressing table she got for her sixteenth birthday.

Now young Mr. "S" quite frankly didn't know or care where the chairs he draped his adolescent limbs over came from. All he knew about rugs was that he was alleged to track mud on them.

But he knows "Mom" knows. Especially when it comes to making the most of a dollar. And of course she said "Willson's."

So to Willson's they come . . . true to family tradition of solid, substantial Willson furniture . . . true to their budget with the aid of sound Willson values.

A rosy, light-hearted adventure. But it's the staunch backbone of America as well. And Willson's are proud to share in so many Sharon homemakings.
